ONLY BLOOMFIELD MARLEX BOXES GIVE YOU ALL THESE ADVANTAGES

- Can be automatically dishwashed.
- Can be sterilized or autoclaved (250° F at 15 lbs. pressure for 20 minutes without load.)
- Chip-proof, dent-proof, fracture-proof under normal conditions.
- Strong-supports 500 lbs. weight evenly distributed.
- Penetrating color—neutral Designer Gray blends with all decor.
- Seamless—no cracks or crevices to collect food.
- Well-rounded corners — convenient, comfortable hand grips.
- Corrosion-proof — resistant to all caustics and detergents, oils and greases, and all fats and solvents.

Specifications

Marlex Silverware Tote Bins

No. 1071 11⅛" wide x 20" long x 3¾" deep. Packed 6 per ctn. Wt. 13 lbs.

BLOOMFIELD TOTE BOXES WIN DESIGN AWARD

The 1958 award given by the National Restaurant Association for the best-engineered product of the year was conferred on Bloomfield's new Marlex Tote Boxes and Silverware Bin.

BLOOMFIELD tote boxes are made of MARLEX

RIGID POLYETHYLENE

. . . lightweight, unbreakable, *low in cost!*

Years of experience have taught us what it takes to make products that will withstand the abuse of "normal" food service.

In just one day's use, a Bloomfield tote box is often called upon to meet extremes of temperature, heavy loads, sharp and abrasive surfaces, powerful food acids, moisture and virtually any other hazard you can describe.

Marlex takes them all in its stride.

Give these new Bloomfield tote boxes and silverware bins the kind of punishment you generally hand out—and watch them come back for more. Equally important, notice the many other features that signify quality throughout—reinforced corners; one-piece, no-seam construction; easy-grip handles; integral slide runners; perfect stacking guides; handsome color all through the material.

But you've got to see and try these new Bloomfield boxes to believe them.

No. 50

No. 51

No. 54

No. 50 BILTMORE HI-BOY

On patented high brackets, 10½" above the counter. Highly chrome plated, guaranteed never to corrode or tarnish. Heavy duty glass with rounded edges. Case adjusts forward and backward. Inside dimensions 37"x8⅛"x4".

No. 50—Shipping Weight, 29 lbs. (Brackets 6 lbs.)
No. 5020—Same as above with Stainless Steel Door.
No. 5021—Same as above with Stainless Steel Bottom and Door.
No. 5022—Same as above with Stainless Steel Bottom.

DIVISIONS 81 & 82
DEC 2 4 1959
PATENT OFFICE

No. 51 BILTMORE LO-BOY

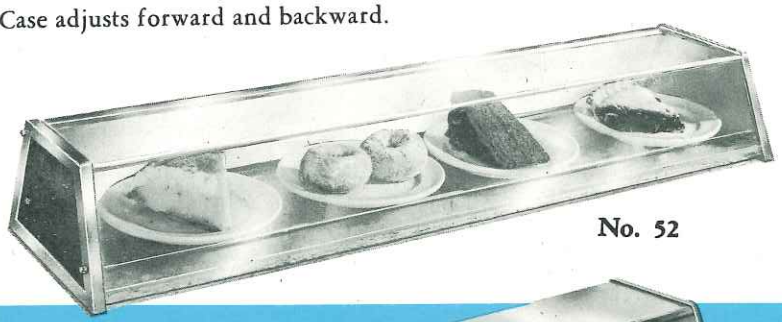
Like Hi-Boy but sits at counter level and fastens to rear edge of counter. Patented safety brackets for easy adjustment backward or forward. Same construction as Hi-Boy. Inside dimensions, 37"x8⅛"x4"

No. 51—Shipping weight 30 lbs. (Brackets 3 lbs.)
No. 5120—Same as above except with Stainless Steel Door.
No. 5121—Same as above except with Stainless Steel Bottom and Door.
No. 5122—Same as above except with Stainless Steel Bottom.

No. 54 BILTMORE SPECIAL DOUBLE DECK CASE

Is adaptable for back bar as well as counter display. Highly chromium plated. Two upward lifting doors. The glass edges are rounded to prevent chipping. Inside dimensions—36" long, 10" deep. Height between shelves, 5⅜". Shipping Weight, 56 lbs. (Brackets 6 lbs.)

Case adjusts forward and backward.



No. 52

No. 53

NO. 53 "SELLSMORE" CASE

Lowest priced Quality Case. Lustrous hammertone finished ends and door. Bottom finished in white enamel. Extra heavy rounded and polished edged glass. Dimensions—4½"x8¾"x30¼". Packed 6 per shipping carton. Weight 74 Pounds.

No. 64 CHROME PLATED ADJUSTABLE CAKE TRAY STAND

Permits quick clamping to any type counter without marring or cutting of counter top. The tray is adjustable forwards or backwards to any desired position. Tray Diameter, 13". Height from top of counter to top of tray, 10½". Shipping Weight, packed 3 per shipping carton, 15 pounds.

No. 52 SPECIAL LOW TYPE CASE

is held securely on counter by a back-end catch. Glass tilting door. Framework brilliantly chrome-plated. Edges of glass are rounded and practically chip-proof. Inside dimensions, 4½" x 9" x 34". Shipping weight, 24 lbs.

No. 5220 Like above but with Mirrored Finish Stainless Steel Door.
No. 5221 Like above but with Mirrored Finish Stainless Steel Bottom and Door.
No. 5222 Like above but with Mirrored Finish Stainless Steel Bottom.
No. 5223 Safety clamps to fasten case to counter.

TRUCKS TRUCKS

Thousands in use
Don't Trust to Luck . . .
These features make
Bloomfield your best buy!

- √ Heavy-duty stainless steel shelves
- √ Stainless-steel angles
- √ All edges tightly hemmed and satin-smooth
- √ Butler finish for resistance to food and finger stains and to scratching
- √ Welds tougher than the stainless steel itself
- √ Completely rubber-bumpered
- √ Heavy-duty automotive type chassis
- √ Bassick rubber tired casters with double-race ball-bearings, hardened steel yokes, dirt and string guards, and silent wheels for noiseless operation
- √ Completely sound-proofed bodies for whisper-soft operation
- √ Completely enclosed, rounded handles —no place for dirt or bacteria to lodge
- √ Easy replacement of wearable parts—even by unskilled help, with just a screwdriver
- √ Widest assortment of truck sizes to choose from—for widest range of jobs

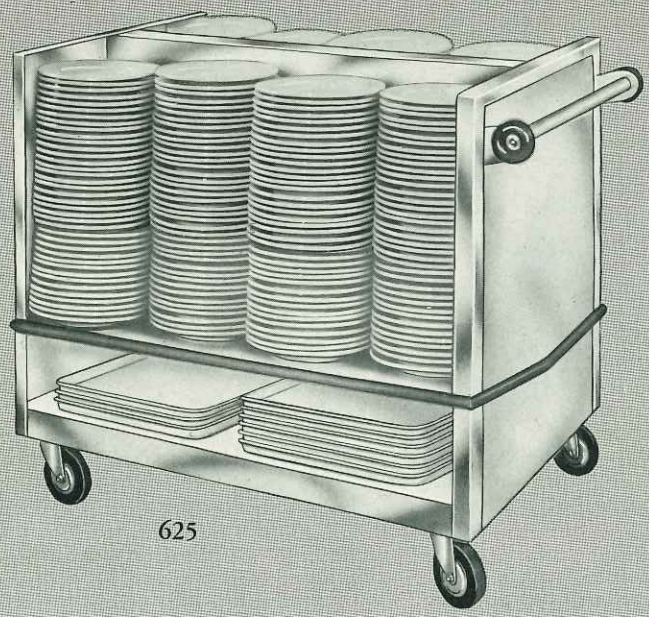
The Clippers

EXTRA HEAVY-DUTY TRUCKS and DISH CARRIERS

613



625

The China Clipper and the Cargo Clipper are the finest in heavy-duty construction. Bloomfield engineers designed these trucks for extra strength and rigidity in every detail, to carry heavy loads with greatest ease and to endure for many years of hard service. Structural stainless steel frames withstand shocks and loads that stop ordinary trucks. Super-fine stainless steel finishes resist food and finger-stains and scratching. Big wheels help Clipper Carts glide easily, softly, noiselessly over the roughest floors.

CHECK THESE CLIPPER FEATURES

- √ Extra heavy angular construction.
- √ Angles formed under compression—no sharp edges.
- √ Extra heavy S. S. undercarriage, axle and wheels.
- √ Extra heavy shelves.
- √ Extra quiet.
- √ Extra quality.

Wrap-Around	616-4

Although the Bloomfield line of trucks is one of the broadest in the industry and includes a type for virtually every job, you may require a special design to suit your particular requirements. You may want an increased number of shelves or a different combination of casters or any number of variations.

All you do is tell us what you want —and your truck will be shipped exactly as you specify it.

To figure the complete cost of your custom-designed truck, list all parts you have selected; refer to your price list for individual costs. When these are totalled, you have the complete cost of the cart including the labor and packaging. Freight is not included.

S. S. SHELVES — Soundproofed

Three Edges Up One Edge Down	All Edges Up	All Edges Down	Length	Width	Gauge	Chassis #	Handle
A1	A2	A3	24"	15½"	22	ACH	H-15½
B1	B2	B3	26½"	17"	20	BCH	H-17
C1	C2	C3	35"	21"	20	CCH	H-21
D1	D2	D3	35"	21"	18	DCH	H-21

To figure overall length of truck, add approximately 4" to length of shelf.

Add caster diameter to height of upright for height of truck.

Nev'r Drip CHROME and GLASS FOURSOME

1118

1112

1135

1148

DELUXE NEV'R DRIP DISPENSERS are furnished in combinations as illustrated —

CHROME AND GLASS • CHROME AND MARLEX • PLASTIC AND GLASS • PLASTIC AND MARLEX

All chrome tops are extremely hard-plated and are brilliantly gleaming. Edges are smoothly finished and handles are comfortably balanced. Perfect spring tension on the cover slide permits instant flow cut-off.

Glass bottles are perfectly proportioned and crystal-clear. Marlex bottles are made of Linear Polyethylene, virtually impossible to break—can be sterilized, boiled or autoclaved for positive sanitation. Supplied in natural polyethylene so contents can be seen.

No. 44—SUPREME BUTTER CUTTER

Patent No. 2,114,277

Patented cutter with individual wires locked in square brass bushings with screw on other end for adjustment. All bushings covered with stainless steel plate—Keeps individual wires from loosening, simplifies cleaning. Enameled base in canary yellow. All metal parts highly chromium plated. Stock sizes 60 and 72 to the pound. Individually packed in cartons. Weight 7 lbs.

No. 2000—E-Z CAN OPENER

Will cut any can, regardless of bead, from a small sardine can to a No. 10 tin. Base is made of one piece heavily plated grey iron casting. The stem is made of cast white brass, heavily nickel plated. All cutting parts are made of tool steel and hardened to insure long trouble-free life. Individually packed in a master carton containing six. Shipping weight, 35 lbs.

No. 45—LEADER BUTTER CUTTER

Non-corrosive tin-plated steel music wire used throughout. Replacement wires and screws available. Base is enameled in canary yellow. All other parts highly nickel plated. Stock sizes to cut patties 60 and 72 to the pound. Individually packed in cartons. Weight 7 lbs.

No. 21—BLOOMFIELD TWO-WAY EGG SLICER

The two way feature permits the speedy preparation of egg salad. No crumbling or loss. Constructed of special aluminum alloy, highly polished. All slots are bevelled to insure perfect alignment with tightly laced rustproof steel music wire. Replacement wires and screws available. Weight, per dozen, 6 lbs.

No. 20—CHEESE CUTTER

Five-inch cutter slices brick cheese into any desired thickness, quickly and easily. Eliminates uneven cutting, prevents waste and saves from 25% to 50% of cheese costs. Highly chrome plated. Adjustable. Sturdy roller operates on brass bearings. Non-corrosive cutting wire can be replaced in a moment's time. Replacement wires and screws available. Weight, 9 lbs. per dozen.

No. 205—Replacement wires, bushings and screws. One dozen sets per package.

No. 19—TOMATO SLICEMASTER

A very simple but truly ingenious slicer that makes short work of many food slicing jobs. Easily cuts tomato into 9 even slices. Removable, adjustable scalloped blades make smooth cut—either ¼" or ½" slices. Also cuts boiled potatoes, oranges, lettuce, mushrooms, cabbage, many other vegetables. Rustproof construction—stainless steel and aluminum. Packed one per carton. Weight 2 lbs.

No. 23—TIN PLATED STEEL MUSIC WIRE

100 feet of tin plated music wire which can be used for servicing butter cutters, egg slicers, cheese cutters and many other items. Weight per dozen, 1¾ lbs.

No. 47—SPECIAL QUARTER POUND BUTTER CUTTER

Miscellaneous PRODUCTS

Nos. 78 & 79—GRIDDLE-STONES
No. 77—UNIVERSAL HANDLE

Keeps griddles clean, smooth and shining without any "strong-arm" stuff. Your counter girl can make a griddle gleam with a few light strokes of GRIDDLE-STONE! Thousands of sharp edged cups scoop up dirt and carburized grease. Uniform abrasive hardness cannot mar the griddle. Does not absorb grease. Stays clean. Vermin proof. Slate grey color shows no finger marks. Individually paper wrapped.

No. 77—Aluminum handle, with lustrous satin finish, will hold either the 6" or 9" stone. 6 per carton. Weight 6 lbs.

No. 78—4"x4"x6"—18 stones per carton, weight 11 lbs.

No. 784½—Same as 78, except packed 54 per carton, weight 32 lbs.

No. 79—4"x4"x9"—12 stones per carton, weight 11 lbs.

No. 793—Same as 79, except packed 36 per carton, weight 32 lbs.

No. 40—LARGE HAMBURGER MOLD

Makes hamburger patties quickly, efficiently and uniformly. Seals each in wax paper. Highly plated. Size 4¾". Packed 12 to a carton. Shipping weight per dozen, 14 lbs.

No. 22—GRIDDLE GREASER and WICKS

Griddle greaser made of cast iron. Genuine porcelain enamel. White only. Handle and body one piece. Oval shape.

No. 22 —Complete with wick. Weight each, 2½ lbs.

No. 221—Casting only—weight each, 2¼ lbs.

No. 222—Wicking only. Weight per dozen, 3 lbs.

No. 76—GRIDDLE-BRICK

Manufactured under our rigid specifications by the world's largest manufacturer of abrasives. Will clean any griddle quickly. Stone is fluted to lessen filling. Top is rounded for easy handling. Individually cartoned then packed 12 per shipping carton. Weight per carton 20 lbs.

E-Z GLASS BRUSHES

CHEFMASTER KING-SIZE FRYER

Easier to Keep Really Clean

Will Not Collect Grease, Food or Grime

Especially designed to meet short-comings usually found in ordinary fryers. In the CHEFMASTER fryer you get the "KING-SIZE SINGLE BASKET"—up to 8 full portions. SANITATION is certain, with CHEFMASTER'S deep-drawn, one-piece housing with easy-to-clean baked-on finish. At the top, where this special housing joins the cast aluminum deep-well, there is a positive lock-joint which keeps all residues from entering the housing. The CHEFMASTER is made for easy cleaning. When you see the CHEFMASTER you'll know it by its size and sanitary features.

No. 1100—Packed 1 per carton, weight 14 lbs.**-Discontinued.**

Capacity 6 Quarts. 115 Volts - A.C. only.

No. 43—CAST ALUMINUM MEAT TENDERIZER

Highly polished. One side of tenderizer has coarse prongs, the other fine prongs. Equipped with hickory handle. Packed 12 per carton. Weight 24 lbs.

No. 42—STEEL STEAK WEIGHT

Made of stamped, rust-proof plated steel, equipped with permanent cool wooden handle. Quickens griddle preparing of various meats and eliminates all curling and twisting of meats being cooked. Doz. per carton, 48 lbs.

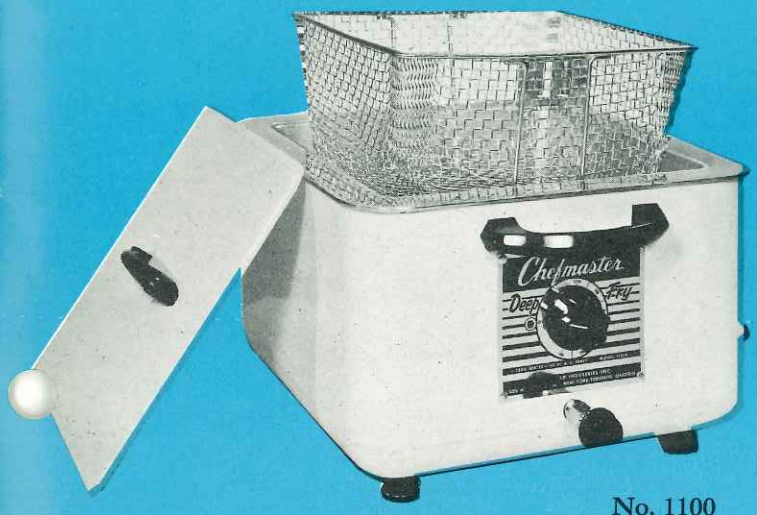
No. 4200—Same as above except of lightweight cast aluminum.

Used in grilling items as bacon, etc. Doz. per carton. 16 lbs.

SPACE-MAKER TABLE JOINER

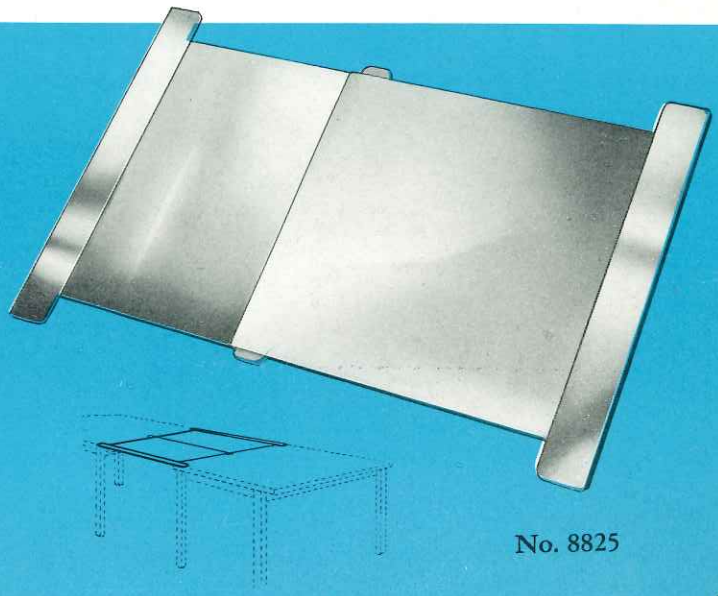
The cleverest idea in years. When space runs short for a large party, use this to create extra space. Fills the gap between two tables, adds space for as many as 2 people. **Fully adjustable** to 42", fits all square tables, regardless of type of table edge. Made of smooth finished cadmium plated steel, reinforced to prevent center sagging. No table legs in way of added space.

No. 8825—Space Maker. Packed 3 Per Carton. Weight 33 lbs.



No. 1100

Underwriter's Approved.



No. 8825

STEEL FRENCH STYLE FRYING PANS

Heavy duty frying pans made of heavy gauge steel — well balanced and sturdily constructed — with handle welded to body of pan. Easily cleaned. Thoroughly coated with rustproofing material which preserves its appearance until sold. Removed by placing pan in hot water.

320	12½"	8¾"	2"	11¾"	45 lbs.	12

TRI-PLY

FRENCH STYLE STAINLESS STEEL

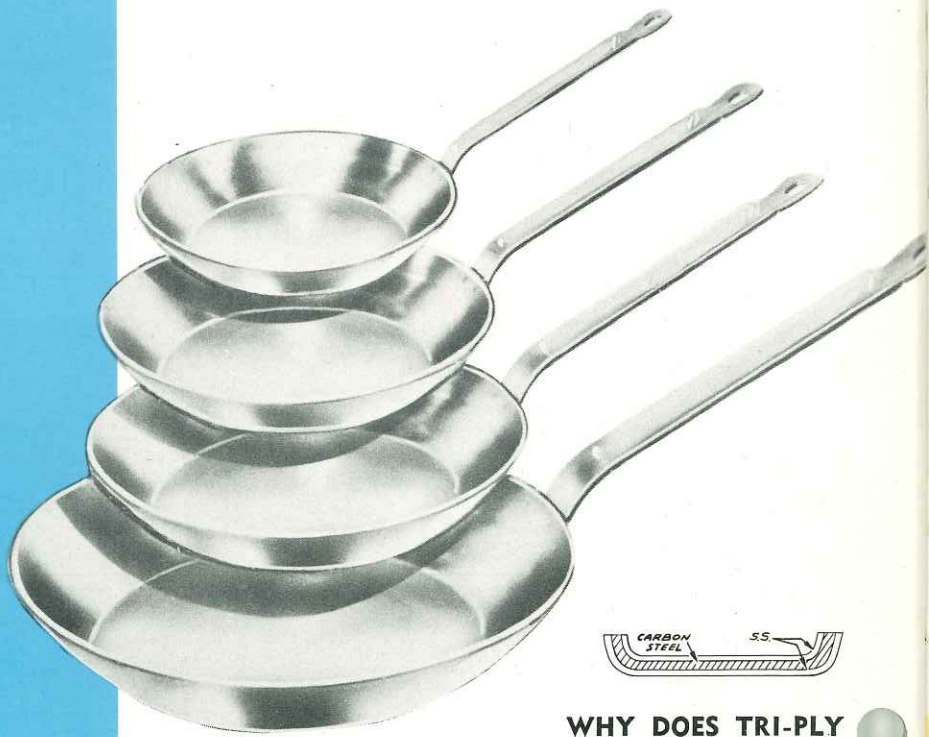
Fry Pans

Something new has been added to stainless steel —a wonderful quick-heating surface called Tri-Ply.

Tri-Ply is a unique combination of metals sandwiched together to provide the gleaming easy-to-clean surface of stainless steel with amazing heat transfer qualities. It is exceptionally strong and durable. Best of all, it assures uniform distribution of heat across its entire area for smooth, even cooking. And, the stainless steel surfaces, both inside and out, never oxidize, stay brilliant and bright always—without effort. Perfect for open kitchens or dining room use.

Bloomfield designers and engineers have used Tri-Ply to produce these remarkable fry pans for use by professional chefs everywhere. They have furnished them with long handles, well-rounded bottoms and perfect balancing for effortless use even in gruelling short-order service.

No. 2160—Packed 12 per carton. Wt. 14 lbs.
No. 2180—Packed 12 per carton. Wt. 16 lbs.
No. 2200—Packed 12 per carton. Wt. 24 lbs.
No. 2240—Packed 12 per carton. Wt. 27 lbs.



WHY DOES TRI-PLY COOK BETTER?

Between two protective "coats" of stainless steel, Tri-Ply uses a base of carbon steel with exceptional heat transfer qualities. As a result, Tri-Ply heats quickly over its entire area . . . cooking is fast and thorough.

THE HOME OF

Bloomfield Industries

...and of products *tailored* for food service

Here, in one of the industry's most modern manufacturing plants, a skilled team of designers and production craftsmen is devoted to the task of improving food service and lowering food preparation costs through better equipment.

The vast facilities of this remarkable plant include almost four acres under a single roof — housing an impressive array of precision machines for every metal fabricating and finishing job. It all means that Bloomfield is geared to meet exacting delivery schedules without ever sacrificing the slightest bit of quality. And, this plant is so efficient that Bloomfield pricing is always " in line" competitively.

This catalog shows you the scope of the Bloomfield line — largest in the industry — but only the products themselves can show you their unsurpassed quality. So, whenever you buy, before you buy, insist on Bloomfield.
